## SNOWDEN

[w] Edward Snowden is a 30-year-old whistleblower and former NSA contractor. He left his home in Hawaii in May 2013, travelling to Hong Kong to leak documents to journalist Glenn Greenwald. At the time of his departure from the US, Snowden worked as a Booz Allen Hamilton systems analyst doing contract work for the NSA. The documents he revealed detailed secret NSA programs and capabilities that have been and continue to be used to collect and store personal communications both within the US and abroad.
